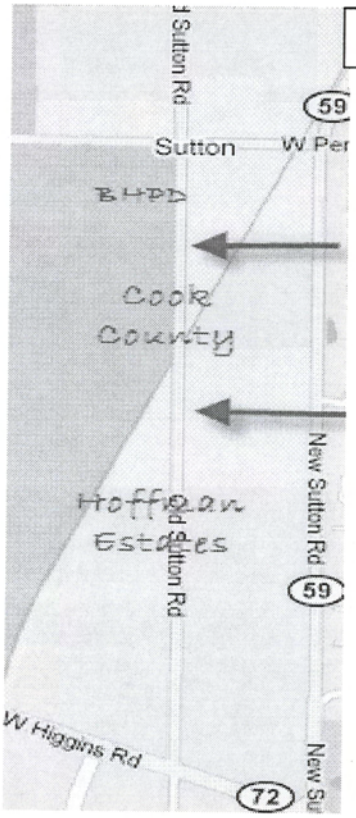
Jurisdiction Change	February 23, 2010

Jurisdiction on Old Sutton Road has changed due to a Court ruling. The Village of Barrington Hills' jurisdiction on Old Sutton Road now ends at 1,280 feet south of the south edge of Penny Road as it always did, but does not begin again.

From this point, Old Sutton Road is then unincorporated up to the north edge of where Wichman Road formerly joined in, now represented by a gate.

Jurisdiction that was formerly Barrington Hills now falls into the jurisdiction of Hoffman Estates. This area begins from the north edge of Wichman Road, continuing south to Route 72.


Any police/fire/EMS calls for this area south of Barrington Hills jurisdiction shall be turned over to the proper agency.
