

Celebrating the International Year ^{of} Astronomy

August 1 – 16

The World at Night (TWAN) is a worldwide exhibition of photographs featuring international landmarks set to celestial backgrounds. 30 images will be on display inside Deer Park Town Center stores from Saturday, August 1 through Sunday, August 16. Participate in a scavenger hunt identifying the location of each exhibit panel and receive a complimentary pass to the Adler Planetarium. One lucky participant with a correct answer sheet will be chosen to win a \$100 Deer Park Town Center shopping spree!
