Potential Settlement of Litigation

Hasan v. Barrington Hills

Dickson introduces settlement plan that would resolve litigation with 223 Westfield Way. Kaplan, attorney for the insurance agency, reviews pertinent details of settlement.

Terms:

- ❖ Hasan’s given occupancy, already taken place
- ❖ Comply with planting of 48 heritage trees
- ❖ Litigation will stay pending compliance with amended plan
- ❖ Court will monitor and enforce compliance

This recommendation has not made lightly and after reviewing the issues with the case.

Motion by Trustee Konicek to accept potential settlement of litigation authorizing the settlement on the terms Mr. Kaplan brought forward. Trustee Maison seconded.

Trustee Konicek states she is not happy with the settlement but does not feel we have a better option and that she is unhappy with building department and the situation that the Board has been put in. President McLaughlin feels that boards and commissions are disrespected if they are bypassed. This needs to be tightened up; no one on this board is happy with settlement. Trustee Gohl echoes that he is extremely unhappy with this. Trustee Croll noted the Board listened to all parties and took their statements into account
