### **Jessica Underwood**

I have been fortunate to grow up in Barrington Hills and have a tremendous respect for its uniqueness. I've trained horses professionally for the last 20 years, catering to Barrington Hills residents, and enjoy all the equestrian amenities and beautiful trail system. I have an equal interest in the conservation in the area and greatly appreciate the natural environment and open space we're all fortunate to share. Additional information....2 horses, 2 ducks, 1 dog....that's my limit.
