I have been a Barrington Hills resident since 1986. Our five children attended Countryside School, Barrington Middle School-Station, and Barrington High School when they were not being homeschooled. I attended Homewood-Flossmoor High School and St. Mary's of Notre Dame College. Before retiring to full time motherhood, I worked for Alexander & Alexander Insurance Services in the Political Risk & Export Credit Division. Most recently, I was part owner of a small consignment/antique shop in the village called The Pink Geranium. I am a past President of Barrington Suzuki Strings and current member of Citizens for Conservation. We have always been a casual equestrian family with horses in the backyard enjoying the trails that run adjacent to our home.
