BARRINGTON HILLS POLICE DEPARTMENT
Monthly Report
September 2009

Illegal Burn

09-6445 09-05-09 An officer responded to the Steeplechase Road area to investigate the source of a large amount of smoke. The fire department was on scene, on the officer's arrival. The officer was advised by the fire department that on their arrival, the fire was over 20 feet high, unattended, there was no water source, and there was also a bed frame in the charred materials. The officer issued a local ordinance citation and the fire department extinguished the fire.

Found Property

09-6490 09-07-09 A Healy Road resident reported finding some glass top tables on his property. The complainant stated that since it appeared the tables were set there carefully, he thought possibly they had been stolen and someone would return to get them. The officer brought the tables to BHPD for safe keeping. No further action at this time.

Residential Burglary

09-6505 09-08-09 An employee for a Hawthorne Lane resident reported that it appeared someone had entered and ransacked the home. Several items were missing. An Illinois State Police Evidence Technician responded to process the scene as well as BHPD Detectives. Investigation revealed that this case was tied to a Barrington PD case, in which they arrested a subject with stolen property. TOT Detectives.

DETECTIVE SUMMARY: The Detectives continue to follow up on leads.

09-7015 09-28-09 A Caesar Drive resident reported that her home had been burglarized. The victim stated that she found several pieces of jewelry missing as well as a pillow case missing and drawers open. The victim stated that she does not always lock her door. There was no forced entry. Case is inactive pending a lead.

Theft

09-6642 09-13-09 A Healy Road resident reported that her husband's identity had been stolen. The complainant stated that they had received credit cards from places that he would not shop, as well as several letters requesting further information before credit can be issued. The complainant advised that the only way she could think of someone getting her husband's information was because her husband had been in the hospital for an extended time, and an employee there would have access to all of his information. TOT Detectives.

DETECTIVE SUMMARY: Detectives contacted the hospital. They were advised that they would look into the situation.

09-6655 09-14-09 A Plum Tree Road resident reported several pieces of jewelry were missing. The complainant stated no one has been in the home except the cleaning ladies. The complainant stated that she suspected one of them as the offender. TOT Detectives.

DETECTIVE SUMMARY: Detectives interviewed the ladies with the assistance of an interpreter. They denied taking any of the items. Detectives continue to check local pawn shops. Case is inactive pending any suspects or leads.

Death Investigation

09-6647 09-13-09 An officer responded to a Haegers Bend Road residence for a reported DOA subject. The complainant stated that her mother [victim] was supposed to come to her home for a party. When she didn't show and the daughter was unable to reach her, she went to the home to check on her. She found her mother in the hot tub face down. A BHPD Detective responded to the scene along with the McHenry County Coroner.

DETECTIVE SUMMARY: The autopsy results indicate an accidental drowning. No further action taken.

Dog Bite

09-6809 09-20-09 A subject riding his bike on Braeburn Road reported that a dog came out from a residence and bit him on the ankle. Fox River Grove Fire Department transported the subject to Good Shepherd Hospital for treatment. McHenry County Animal Control also responded to the scene. A dog matching the description was located at a Burning Oaks Trail residence; however the victim and witnesses were unable to positively identify the dog.
