Dear Chief Murphy,

On behalf of the Elk Grove Village Police Department, please accept my sincere thanks for the expert assistance provided by Detective Ron Ruffin in his role as a member of the Major Case Assistance Team (MCAT) during the investigation of a double homicide and suicide that occurred in our community on September 24, 2010.

On this date the Elk Grove Village Police Department responded to the 100 block of Boardwalk after receiving a call from a resident stating that they heard gun shots. While at the location officers located a van parked in a soccer field near the 100 block of Boardwalk, which became engulfed in flames shortly after their arrival. The vehicle had a single adult male occupant inside which was observed to have a rifle in his possession.

Officers also made entry to the condominium where the report of the shots fired had originated. Inside the condominium two (2) deceased individuals were located, one an adult female and the other an adult male. The two individuals had multiple gunshot wounds.

The Major Case Assistance Team (MCAT) was activated to provide forensic services and investigative support. The forensic technicians processed the two (2) crime scenes and for two (2) days investigators interviewed witnesses, family members and canvassed the condominium complex as well as the surrounding neighborhood. The amount of work completed by assisting members was invaluable.

Please convey my appreciation to your staff for their dedication, professionalism and assistance that they provided to our community.

Sincerely,

Stephen F. Schmidt  
Chief of Police
