Bob, Thank you for your support of the Spring Creek Watershed Partnership. I would appreciate it if the board would appoint a representative to attend meetings on behalf of the Village of Barrington Hills and if they would like to commit a financial match for the coming year to support the partnership, that would be wonderful!! We anticipate that the first meeting will be held in late September. Below is an update on the project:

As of August 15, the committed partners for the SCWP are:

The Village of Fox River Grove
Fox River Grove Parks Commission
Dundee Township
The Village of Barrington Hills
Barrington Township
BACOG
Citizens for Conservation
Lake County Stormwater Management Commission
Flint Creek Watershed Partnership
Riding Club of Barrington Hills
Friends of Spring Creek Forest Preserve

Our initial business sponsors are: (Founding sponsor) Tallgrass Restoration Inc, Baird and Warner

I am looking to raise \$20,000 in the coming months for the initial matching funds for a grant applied that was for from IEPA.

Thank you again!
