Re: Old Dundee Road Improvement

Dear Ms. Ramesh,

This is just a note to thank you and the village for great roadwork you have accomplished on Old Dundee Road.

I have lived here for 44 years and have been through many improvements but this last one is certainly the best. One doesn't realize how much a road impacts how the homes look and possibly how the residents feel about their home. Most of the residents do a great job of keeping up the landscape and adding to it, as they feel inclined. I think you will see many more take an interest now that the road is finished.

Again, thank you and the village for a job well done.

Very truly,
