Dear Chief Murphy,

The Wauconda Police Department would like to express our appreciation to your department during our incident on February 9<sup>th</sup>, 2010 at the Wauconda Community Bank, 495 West Liberty Street.

Our officers responded to a bomb threat/robbery attempt and after accessing the situation, assistance was requested. During the course of this investigation it was determined that there was no bomb and no money was removed from the bank.

If not for the assistance of your department keeping the perimeter secure, our investigation would have been difficult and chaotic.

Once again, thank you for your department's assistance as it was greatly appreciated.

Sincerely,

A handwritten signature in black ink that reads "Douglas R. Larsson".
