Re: 2010 Village Road Program- Pavement Striping

Dear Mr. Abboud:

On Wednesday, July 21, 2010, at 2:00 PM bids for the above referenced project were received, opened and read aloud at the Village Hall. Attached are the bid tabulations and summary of the bids received along with the engineer's estimate of probable cost. Two bids were received for the pavement striping program, which included paint pavement striping on Ridge Road, Plum Tree Road (east of Ridge only), and Haeger's Bend Road. The low bidder was Marking Specialists of Arlington Heights, Illinois. Marking Specialists submitted a bid of \$25,375.00. Mark-It Corporation of Romeoville submitted a bid of \$48,285.00. The Engineer's Opinion of Probable Cost for this project was \$38,387.50.

Contractor Review

Marking Specialists has worked in the Village previously, completing miscellaneous thermoplastic pavement marking operations in the spring of 2006, and placing paint pavement markings along Ridge, Plum Tree, and Haeger's Bend in 2007. We found their work to be of high quality and their personnel were very responsive in the field. We recommend that the Village Board award the 2010 Pavement Marking Program work package to Marking Specialists.

If approved we anticipate the starting date for this work would be late August or early September. A completion date of October 1, 2010 is specified in the contract.

Sincerely,
Gewalt Hamilton Associates, Inc.

Daniel J. Strahan, P.E., CFM
Assistant Village Engineer
