Fellow Board Members

This letter documents my nominations to the Plan Commission for the Village of Barrington Hills. Refer to the attachment showing the returning members in white and new members in yellow.

I am nominating Mike Harrington to the Plan Commission.

Mike is a long time resident of the Village and was a critical player in the Duda disconnection efforts in which the Village successfully preserved its zoning. Mike and his wife Anne Pramaggiore and their son previously lived on Spring Creek Road nearly adjacent to the Duda property. They now live on Hills and Dales Road and are fully dedicated to the Village and the community at large. Mike has extensive expertise in finance and in land use.

Several people have given me Mike's recommendation including Pat Henley and Ken Bosworth both of the Plan Commission. His resume is attached in Attachment B.

I trust that you will support, without reservation, my nomination to the Plan Commission. Should you have any further questions, please contact me.

Best Regards,

Subject: Beautification Committee Nomination

Fellow Board Members

This letter documents my nominations to the Beautification Committee for the Village of Barrington Hills. Refer to the attachment showing the returning members in white and new members in yellow.

In addition to the reappointments, I am also nominating Dan and Cindy Mjolsness to the Beautification Committee.

Cynthia (Cindy) Mjolsness has lived in Barrington Hills for 7 years after many years living in west Lakeview in Chicago, where she gardened, raised her family, and taught Art at St. Luke Academy, a school for K-8. She is originally from southern California where she was born and raised and worked in pharmaceutical sales and marketing until moving to Chicago. She is a photographer and has recently started her own fledgling greeting card business incorporating her photography. She has a strong interest in the environment and in giving back to the community.

Daniel (Dan) Mjolsness has lived in Barrington Hills for 7 years and is now retired from health education consulting. He has worked on the Communications Committee and created the infrastructure and acquired the URL for the Barrington Hills community website. He is strongly committed to environmental issues, and is active in saving existing virgin prairie and expanding that on a half section of land owned in Minnesota. Dan has been active in community service in Chicago and continues to work as a mentor in Englewood, and has worked as a Block Captain and Election Judge in the 44th Ward for more than 15 years

Several people have given me the Mjolsness' recommendation including the Chair of the Beautification Committee.

Betsey Bramsen and Jan Sheppard are leaving the Beautification Committee after full terms of service. They both brought great energy and ideas to the committee and their contribution is very much appreciated. Their participation will be missed. Thank you to both Betsey Bramsen and Jan Sheppard.

I trust that you will support, without reservation, my nominations to the Beautification Committee. Should you have any further questions, please contact me.

Subject: **Communications Commission Nomination**

Fellow Board Members

This letter documents my nominations to the Communications Committee for the Village of Barrington Hills. Refer to the attachment showing the returning members in white and new members in yellow.

In addition to the reappointments, I am also nominating Mary Beth Holsteen to the Communications Committee. Mary Beth is an active resident of the Village along with her husband Frank. She serves as the current VP of the Barrington Hills Riding Club and has been active in working in the various other Village activities including the Beautification Committee roadside clean ups. Mary Beth is in the Real Estate business by profession and has an acute understanding of the issues in the community.

Several people have given me Mary Beth's recommendation including Trustees and the Chair of the Communications Committee.

Debbie Stone is leaving the Communications Committee after a full term of service. Debbie brought a world of experience in the advertising and marketing business to the committee and her skills will certainly be missed. I hope I am able at some point to convince her to return.

Pamela Cools has also left the committee. Pam served over multiple terms and I am very appreciative of her service to the Village.

Thank you to both Debbie Stone and Pamela Cools.

I trust that you will support, without reservation, my nominations to the Communications Committee.

Should you have any further questions, please contact me.
