To: President Abboud
CC: Board of Trustees

Subject: VBH Information Channels THEN, NOW, and NEXT

The Village of Barrington Hills has distributed for nearly two years to its trustees, residents and interested persons digital records. The most common location is www.barringtonhills-il.gov/board.htm

Audio record of the meetings can be found on the same page.

Other records are located with the entity associated with the creation of the record such as the Village Treasurer www.barringtonhills-il.gov/treasurer.

Records not readily discernibly some 38,000 documents on the site can be requested through the FOIA process at www.barringtonhills-il.gov/foia

Within these pages are information engines that push out to subscribers, such as the Calendar, Weather, and Community Alerts.

The specific information technology of Tweeter is used [address]

To all of these has been added an application for the Smartphone by visiting the following link for directions to download the Barrington Hills Mobile App to your mobile device:

<http://barringtonhills.mobapp.at/>

As with the previous initial introduction of technology, there may require some tweaking, please forward your comment or question to me.
