**RE: Commercial Horse Boarding**

Dear President and Trustees:

After many months of discussion of the commercial horse boarding issue in Barrington Hills, we have reached a consensus on a proposed manner of regulating boarding in the Village. We are respectfully requesting that you review and discuss our proposal and if it is acceptable to you, that you refer it back to the Zoning Board of Appeals to conduct a public hearing so that we may make the appropriate recommendation to the Board of Trustees for its adoption. The specific language that we have discussed and are proposing is attached hereto as Exhibit A.

As you are aware, this issue has been under consideration for several years and numerous meetings and discussions have taken place with regard to it. We have had various "white papers" submitted to us by the Equestrian Commission and a number of proposals that have been made by the Legal Committee, the Equestrian Commission and others. We are aware of the situation with Oakwood Farms and the recent holding by the Illinois Appellate Court denying the claim by Oakwood Farms that horse boarding is agriculture and therefore a permitted use.

In 2005, the ZBA recommended and the Board of Trustees approved changes to the Home Occupation Ordinance, which allowed horse boarding as a home occupation. While we considered simply allowing all boarding operations to operate as home occupations, we felt that was not the best approach. Larger boarding operations can have impacts on the surrounding properties. In these circumstances, we are recommending that larger boarding operations should be required to obtain a Special Use Permit. The special use permit requirement would allow the community to have some involvement in whether such operations are appropriate at that particular location and, if so, under what conditions they should operate. As a result, we are suggesting that those facilities that board ten (10) horses or more be regulated as Special Uses. We discussed, at length, requiring stables or barns of a certain size to also obtain a Special Use Permit, but in the end determined that was burdensome and potentially overreaching.

We feel that the attached proposal represents a good balance between preserving and protecting the equestrian nature of the Village while taking into account the concerns of residents who might be impacted by larger boarding facilities.

Very truly yours,

Judith Freeman – Chairman  
Zoning Board of Appeals
