The agreement looks good, although I have 2 requested revisions:

1. Change "Contract will be flexible if either party wants to cancel at any time." to read as follows: "This agreement may be terminated at any time by either party by written notice to the other party."

2. Add : Ms. Schaumm shall attend monthly Board of Trustees meeting to report on the status of her work under this agreement and answer questions regarding the same. In the event Ms. Schaumm is unable to attend a Board meeting she will provide a written report to the Board of the status of her work under this agreement.

Thanks.
