May 23, 2011

Mr. Robert G. Abboud
Village President
Village of Barrington Hills
112 Algonquin Rd.
Barrington Hills, IL

Dear President Abboud,

I recently received a telephone call from Karen Selman who explained that the Village is seeking residents with specialized backgrounds who may be able to lend their expertise on Village issues. With this in mind I have prepared the attached outline resume that touches on the main points of my career experience.

My wife, Martha, and I moved to Barrington Hills to build our home 14 years ago. We are very happy here and applaud your efforts to maintain the special character that defines our unique community. If you have any questions about the resume, need any further information, or if there is some contribution you feel I can make, I look forward to hearing from you. In addition to my above home telephone, you can ring my cell phone, 224 223 2791 or email me at:

daryl.architect@gmail.com.

Kind regards,

Daryl Adams

Curriculum Vitae

Education

Bachelor of Architecture, Summa Cum Laude, University of Illinois, Urbana-Champaign 1972

Unite Pedagogique des Architecture, Versailles, France 1970-71

Work History

1972-1988 City of Chicago Bureau of Architecture - Project Designer, Coordinating Architect, Director of Architectural Design

Responsible for the design of projects built by the City of Chicago Department of Public Works, including Police Headquarters, Fire Stations, Libraries, Health Centers, Mass Transit facilities, Maintenance and Crash/Rescue Facilities at both O'Hare and Midway Airports and numerous special projects including the restoration of Navy Pier, the reconfiguration of Midway Airport and the renovation and re-use of Soldier Field. Member of the Architectural Competition Committee for the Harold Washington Library.

1988-2009 Co-owner and Design Principal

Chipman Adams Architects, Park Ridge, IL, Pasadena, CA

Sixty person full service architectural firm with project concentration in retail, restaurant, municipal and recreational design.

2009-present

I remain a consultant with my former firm while pursuing my personal interest in residential architecture as a sole practitioner.

Recognition

City of Chicago

Bureau of Architecture projects were winners of local and national design awards from the American Institute of Architects.

National Design Excellence Award from the American Institute of Steel Construction for the design of the Chicago Police Training Academy.

Recipient of the Mayor's Award for Excellence in Design
