

HB 1670 – ELECTRONIC TRAINING UNDER OPEN MEETINGS ACT Governor Signed

HB 1670 amends the Open Meetings Act to require each elected or appointed member of a public body to successfully complete the electronic training curriculum developed and administered by the Public Access Counselor. Provides that the failure of one or more members of a public body to complete the training does not affect the validity of an action taken by the public body. Provides that an elected or appointed member of a public body subject to this Act who has successfully completed the required training and filed a copy of the certificate of completion with the public body is not required to subsequently complete that training. Creates alternative training requirements for school board members.
