## Master Agreement Terms and Conditions

- 3.9 Warranties; Disclaimer of Other Warranties. With respect to maintenance or professional Services, AT&T warrants that the Services will be performed in a professional and workmanlike manner. AT&T further warrants that it has good title to the Equipment and that the Equipment will perform in accordance with the manufacturer's published specifications during the warranty period set forth by such manufacturer and AT&T will use commercially reasonable efforts to subrogate any AT&T claims or rights against the Equipment manufacturer to Customer. AT&T makes no warranties and assumes no liability for any defects or nonconformities caused by non-AT&T approved modifications or alterations; misuse, accident or neglect; or Customer failure to comply with AT&T or AT&T vendor specifications or requirements for use. These warranties do not cover and AT&T has no responsibility for (a) installation, maintenance or operation of non-AT&T provided equipment or software or impairment caused by such equipment/software; (b) compatibility of such equipment/software with AT&T-provided Equipment or Software; or (c) modifications, alterations or repairs to Equipment or Software by persons other than AT&T or its authorized agents. EXCEPT FOR THE FOREGOING, OR AS EXPRESSLY SET FORTH IN AN ADDENDUM, AT&T MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES RELATED TO THE MATERIALS, SERVICE, EQUIPMENT OR SOFTWARE, ALL OF WHICH ARE PROVIDED "AS IS" TO THE FULL EXTENT PERMITTED BY LAW.
- 3.10 Indemnities. Customer will indemnify and defend AT&T, its directors, officers, employees, agents and their successors ("Agents") from and against any and all third party claims and related loss, liability, damage and expense, including attorneys' fees, (collectively "Damages") arising from improper use of Services or information or any content or data transmitted over any AT&T network or facilities. AT&T will indemnify and defend Customer and its Agents from and against any Damages finally awarded or paid in settlement based on a claim that any Service, or AT&T-provided Equipment and Software (collectively, "Materials"), infringe a U.S. patent or copyright. If a final injunction or judgment is awarded against Customer prohibiting use of Service/Materials by reason of infringement of a U.S. patent or copyright, AT&T will at its option and expense either (a) procure the right for Customer to continue using the Service/Materials; (b) obtain and deliver equivalent non-infringing Service/Materials; or (c) terminate the infringing Service/Materials and refund to Customer amounts paid for infringing Service/Materials, less a reasonable charge for use. An indemnified Party shall provide the indemnifying Party with notice for any claim of indemnity and the indemnifying Party shall have complete authority to assume the sole defense and settlement of such claim. The indemnified Party may participate in the settlement or defense at its own expense and shall reasonably cooperate to facilitate the defense and settlement of such claims.

Customer will furnish any conduit, holes, wireways, wiring, plans, equipment, space, power/utilities, and all other items reasonably required to perform installation and other Services related to the Equipment and obtain any necessary licenses, permits and consents to do so. Customer has 30 days after Cutover to test the Equipment and provide AT&T with written notice if the Equipment is defective and does not conform to manufacturer's specifications. AT&T will repair or replace (at its option and expense) any such non-conformity and if the Equipment fails to conform after a reasonable number of attempts to do so, AT&T will (at its option and expense) provide replacement Equipment or refund payments for non-conforming Equipment. AT&T is not responsible for and shall have no liability for, or any impairment caused by (a) any non-conformity caused by improper use or environmental or electrical conditions or attachment of non-AT&T or manufacturer materials or devices; or (b) installation, operation or maintenance of non-AT&T hardware/software. Customer is responsible for ensuring that such non-AT&T hardware/software is compatible with the Services, Equipment or Software. If Customer does not deliver a written certificate of acceptance or written notice of non-conformity within 30 days after Cutover, the Equipment shall be deemed accepted.
- 3.12 Miscellaneous. This Agreement sets forth the entire understanding of the Parties and supersedes any and all prior agreements, representations, and understandings relating to the subject matter hereof. No modifications or subsequent agreements concerning the subject matter of this Agreement will be effective unless made in writing and signed by the Parties. This Agreement will be governed by the laws of Texas, without regard to its conflicts of law rules. The Parties specifically disclaim the United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act. If any provision of this Agreement is determined to be invalid or unenforceable, this Agreement will be construed as if it did not contain such provision. The failure of a Party to insist upon strict performance of any provision of this Agreement in any one or more instances will not be construed as a waiver or relinquishment of such provision and the same will remain in full force and effect.
