Re: Barrington Countryside Fire Protection District

Paul Heinze has arranged for a recently acquired tanker or water tender by the Barrington Countryside Fire Protection District for display prior to the Wednesday April 30th meeting of the Board of Trustees.

The vehicle should be on display by 6PM that day.

Likewise, Mr. Heinze has requested, on behalf of the District, to provide the Board of Trustees an update of the activities of the District since January 1st when it has been operating independently from the Barrington Fire Department.
