1. The MFT Section # is the project number assigned by IDOT to MFT projects based on year and type of project.
2. The MFT Allotment is the amount VBH receives during a month from the state.
3. "Credits to Unobligated" refers to monies that had been designated to a specific project, but upon conclusion of the project were not used.  
(For example, a resolution is passed in the amount of \$70,000 for an MFT project, and the final project costs are \$60,000. At the conclusion of the project IDOT would credit \$10,000 back to the unobligated balance.)
4. Village MFT Account Summary and IDOT Account Summary will vary, primarily due to the following: (1) Barrington Hills Account Summary is updated when payment is cleared; IDOT Account Summary is updated when final paperwork is submitted, and (2) Barrington Hills Account Summary reflects monthly interest payments, while IDOT Account Summary is updated for interest only periodically.
