RE: Monthly Code Enforcement Report DATE: 08/28/2017

142 Old Dundee

Fire Department responded to a call, finding a possible Health & Life Safety violation. Living Conditions with multiple pets, including one dead in cage. Phone call made to home owner. Site visit on Monday, August 28th. Observed 10 dogs, 10 cats, 12 horses in a barn. No violation found.

340 Old Sutton

Complaint 7-5-17: Dumping of fill without permit. Dan Strahan visited property and witnessed dumping of fill material still in progress. Village engineer informed the bobcat operator that he needed a permit. Code officer spoke with owner to obtain permit prior to performing additional work. Site visit Monday, August 28th. A locked gate prevented an onsite inspection so code officer observed from street. Letter to be sent to homeowner that a permit is needed.

231 Butternut

Complaint 6-26-17: Demo of barn incomplete; permit expired September, 2014. Onsite visit Monday, August 28th. Debris is gone and lot is roughly graded. Letter to be sent to owner stating they need to do a final grade and provide erosion protection.

CLOSED COMPLAINTS

2400 Spring Creek Road

Complaint 5-22-17: Possible demolition in progress of a residence and also stated mud existed on the streets. **Update:** Site visited 7-5-17. Site is cleared. Permit for demolition has been issued.
