Dear Chief Murphy,

George and I wish to thank you and your department of men and women for taking all the necessary steps to keep our community as safe as possible. It became very apparent this past 10 days of 24/7 news coverage regarding Ferguson, Missouri that police forces around the country are not given enough praise for being on the front line, seven days a week regardless of the need from their respective communities. We appreciate all of your efforts.

Sincerely,

Mary and George Mellon

Dear Chief Murphy:

On behalf of The Methodist Women of Barrington United Methodist Church, I would like to thank-you and your officers for your efforts to secure the church property during our annual rummage sale in October. Deputy Chief Semelsberger stopped by to see our setup inside the church not just the tent, and was quite surprised to see the enormity of our event. This was the 81st year of our sale with gross sales around \$26,000. Our proceeds continue to go to missions for women and children locally, nationally and globally. In addition we donated the remaining merchandise to wonderful organizations such as St. Anne's House of Hope store, "Hands of Hope" (The Country Garden Fair held in Barrington Hills in June), Clean Slate of Chicago a book recycle non-profit and the National Children's Cancer Society. We continue to make every effort to recycle any merchandise not sold.

As in past years, we continue to take care of many needy customers who depend on our event especially in these tough economic times and in so doing they support our mission project.

Again, I thank-you and your staff for your care and concern in helping us with our event.

Sincerely,

Mary C. Mellon, Chairman
BUMC Rummage Sale

Chief,

This letter is to express my sincere appreciation for your support in the 2014 Summer CALEA Conference. With your support and the help of Bill Walsh, we were able to host one of the best conferences that CALEA has had in its 35 year history. All of the conference committee members and volunteers spent countless hours in preparation for this conference and it definitely paid off.

Your commitment to the Illinois Police Accreditation Coalition helped to set the bar for future CALEA conferences and make us proud to be an Illinois Accredited agency.

Again, I am very grateful for all of your help and I look forward to a continued partnership in our efforts to be the most professional law enforcement agencies we can be.

Respectfully,

Dear Chief Murphy,

Please accept my sincere thanks for the time Accreditation Manager Bill Walsh spent helping to conduct our CALEA mock on-site assessment on October 10, 2014. I realize that it can be difficult to take away from the daily duties in order to spend time assisting another agency in achieving re-accreditation and we appreciate the help.

The comments and recommendations made by Bill and the rest of the team were greatly appreciated and will be very helpful as we continue to prepare for our CALEA on-site assessment in April. I am confident that the effort put forth by the mock assessment team will contribute to our successful on-site.

On behalf of all the men and women of the Addison Police Department, please accept our thanks and gratitude for the assistance we received from Accreditation Manager Walsh.

Sincerely,

Timothy P. Hayden
Director of Police

Dear Chief Murphy:

I first met you in the early 90's when you were a detective with the Barrington Hills Police Department. You came to our home to investigate a diamond ring missing. We determined that our nanny probably took the ring as she had quit her job that day and left unbeknownst to us. You took all the information and said you would be in touch. I sincerely thought I would never see my anniversary ring again. Several days went by and you called to tell us that you had found the ring and she was on her way to the police department to bring in the ring. My husband and I will always be grateful to you for getting my ring back.

Several years later I was delighted to see when you became Chief of Police. I have since communicated with you and the department regarding the BUMC annual rummage sale. Your department has always been very vigilant at night watching our tent to make sure that no one stole any merchandise.

I would like to wish you the very best in your retirement as Chief of Police for the Barrington Hills Police Department, but I don't really see you retiring in the true sense of the word. I know the department will miss you as will the community that you served with professionalism and dedication for 28 years.

Sincerely,

Mary C. Mellon
