ROADS AND BRIDGES MONTHLY REPORT MAY 2012

2012 ROAD CONSTRUCTION PROGRAM

The contracts, contract bonds and certificate of insurance are being prepared by Geske.

The Pavement Rejuvenation contract has been received from American Road Maintenance.

The 2012 Pavement Marking Program Bids are scheduled for June to include re-striping of Ridge Road (full length), Haeger's Bend Road (full length) and Plum Tree east of Ridge.

2012 DRAINAGE PROGRAM

Culvert replacements on Haeger's Bend Road have been completed. Additional culvert replacements will be ongoing.

CUBA ROAD BRIDGE

Dan Strahan and I met with Tom Gooch to discuss the Cuba Road Bridge replacement, right of way, removal of existing vegetation on the north side of Cuba Road east of the West Cuba Road intersection to improve line of sight.

Dan is beginning the Highway Bridge Program application.

HAEGER'S BEND ROAD

Application through the McHenry County Council of Mayors Call for Projects were available on May 17, 2012. Our application will be submitted by the August 3 deadline pending completion of the Phase One Engineering requirements.

IDOT MEETING

There is a meeting scheduled with District 1 on May 24 to discuss the Countyline Road Crosswalk and follow-up regarding the 2010 safety improvements to Rte. 62.

NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM

The 1987 Amendments to the Clean Water Act which is administered by the Illinois EPA, require periodic testing of water quality. This is being done as required on both Spring Creek and Flint Creek and an annual summary report will be filed as required.

SPRING CREEK WATERSHED – BASED PLAN

The booklet that each of you received gives an overview of the project and the scope of its goals. Much time has been spent evaluating this project by Elaine Ramesh, Bob Kosin and others who will make their recommendations.
